

Local Rule

Please be aware, we still have a number of areas that have been affected by the crow damage that are NOT marked with white lines. Some of the areas are now bare and hardpan. Although they no longer appear to be actual damage, they are to be treated as 'Abnormal Ground Conditions'.

In addition to this, the areas of new turf and drain runs on the fairways are also areas in which relief may be taken as of 20th May 2019.

The ruling is stated below:

Abnormal Ground Conditions

16.1

Abnormal Course Conditions (Including Immovable Obstructions)

This rule covers free relief that is allowed from interference by animal holes, **ground under repair**, immovable obstructions or temporary water:

- These are collectively called abnormal course conditions.
